Dear Harold:

I GOOFED!!!!!! Hadn't sent out the cassette when I told you. Here it is. Please return the original and two copies of the release. Please forgive the legal bullshit jive, but that is under the direction of Mr. Wachtel.

Bill is due in around the Fifth. The government will be taking me away on the Seventh. to do alternative service in Syracuse. It looks like I won't have that time to come down and visit. Hopefully after I've been in Syracuse (Catholic Charities by the way) awhile. I'll call. I will make sure to take the time to describe what's been transpiring to Bill, and will give him an idea of what you are thinking of doing.

Stay strong and take care. AND SLEEP!

Love,

tim
